

Dear Paranormal Enthusiast,

You are cordially invited to attend the 2005 Mid-South Paranormal Convention, hosted by the Louisville Ghost Society Inc. (www.louisvilleghs.com) September 24th and 25th on the grounds of Waverly Hills TB Sanatorium (www.waverlyhillshistoricalsociety.org) in Louisville, Kentucky. Waverly Hills is considered to be one of the most haunted places known and was featured on the FOX hit show “Scariest Places on Earth”. Waverly Hills was a tuberculosis hospital built in the early nineteen hundreds and had over 60,000 deaths. It is thought that many still reside there.

You will have opportunities to attend workshops and hear speakers such as : Troy Taylor, MTV's Kriss Stephens, Dale Kaczmarek, Roberta Simpson Brown, Dr. Lynwood Montel, Ursula Beilsky, & many more. An opportunity for an overnight investigation inside the mysterious Sanatorium will be provided to the first 50 people to respond, and pay the \$150 donation fee. Food, vendors, psychics and much more will be available. All proceeds will go to the Waverly Hills Historical Society for building restoration.
